FADE-FREE COLORS

COLORS THAT **NEVER FADE**

NOVA porcelain outdoor furniture is unaffected by normal temperature variations. Colors will not fade when exposed to full sunlight. Furniture can be left outdoors all year without any change in appearance.

DURABLE AND HARD WEARING

Raw materials are fired at extremely high temperatures which creates a tough and hard-wearing product, virtually impermeable to water.

TOTAL COORDINATION.

NOVA porcelain outdoor furniture is created entirely from 2 CM porcelain pavers, enabling complete coordination with Archatrak's range of pavers and ensuring design consistency between floors, walls and furniture.

DOES NOT STAIN

NOVA porcelain stoneware has almost zero water absorption. It does not stain, will not absorb grease nor oil, is resistant to mold and moss growth and is unaffected by acids and most chemicals.

FOOD-SAFE SURFACES.

All surfaces of NOVA porcelain outdoor furniture are completely non-toxic, Formaldehyde, PVC and VOC-free, non-allergenic, inhospitable to bacteria, and do not degrade. All are essential characteristics for any material in contact with food and utensils.
